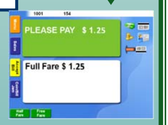
System Map & Schedule

Other system maps as well as individual route maps are available at:
http://www.mrta.us/routes-schedules/system-maps/fitchburgleominster

MART has bike racks on all our fixed route buses and shuttle vans



How to use the farebox:

- The farebox screen will show the fare due for the route. The default is the full adult fare. Please notify and/or show your ID card to let the driver know you qualify for reduced fare when paying with cash.
- Please have your fare ready before you board the bus. Adult fare is $1.25 so it is advised that you have the dollar and quarter ready and in your hand. The farebox will time out if don't put the money into the slots quickly. A timeout will issue an overpayment ticket and you will need to start over. You may use the payment ticket.
- The farebox will accept all bills from $1 to $20 and issue an overpayment ticket for the difference in fare 25 cents and over. These tickets must be kept safe by the rider. Damaged or lost tickets will not be replaced as they have no cash value and are only redeemable for future rides on MART buses.
- The farebox is programmed to only issue overpayment tickets if you pay 25 cents or more over the fare. Therefore riders paying for a 60 cent reduced fare with 3 quarters (75 cents) **will NOT be issued a ticket for 15 cents.** Please use exact change or $1 bills.
- MART recommends that riders who frequently use cash to ride the bus store that cash as value on a CharlieCard™ as it will always deduct the exact fare at the appropriate rate (Seniors and Disabled have a special card), and it is easier to safeguard.
- MART also recommends that students purchase bus passes, as a CharlieCard™ cash stored-value will NOT give the reduced fare to a student. This is a restriction of the MBTA and not MART.
- Transfers tickets are available on all buses and will be issued only upon payment of fare. Riders must ask the driver for the transfer at the farebox while boarding. Transfers are automatically recorded on the CharlieCard™ when used for payment. Transfers must be used within 2 hours. MART does not charge for transfers.

How do I read this schedule?
All schedules are posted in the order of bus stops from left to right, and time of day from top (am) to bottom (pm). Times listed are the departure times for the associated stop; unless otherwise indicated. Times in **bold are P.M.** Times highlighted in green are stop times on Saturday. Any time not highlighted is not performed on Saturday. Ex: Gardner High School.
Each route has a description of the roads the bus travels in order from start to finish of a single loop. This provides the rider with the streets and intersections where they can catch the bus between scheduled stops on MART's flag-down system.
